

Year 11 Careers Department Notices

w/c: May 30th 2022

Workplace Work Experience update

During the next few weeks, final Risk Assessment checks for over 110 Work Experience placements will be carried out and those students with confirmed agreements will receive their contract by email in due course.

Virtual Work Experience in July & August

Placements were much harder to come by this year as the legacy of Covid has seen many companies adopting working from home policies. However, there are a great many virtual opportunities available throughout the three designated work experience weeks in July (4th—22nd) as well as in August!

Check out the current [Virtual Work Experience](#) opportunities on the school website for a huge variety of career insights from some National and Global companies. More added each week!

Speakers for Schools

Set Design	Nuclear Laboratory
Financial Services	Construction
Physiotherapy	Marketing
Architecture	Law
Mental Health	Backstage/Tech roles
Space Entrepreneurship	Dental Health

Springpod

- Space Exploration from **Airbus**
- Business Innovation & Product Development from **Vodafone**
- Energy & Sustainability from **Siemens**

Update from Careers Department

*Good
Luck!*

We would like to wish all our Year 11 students good luck in their GCSE exams!

We have really enjoyed working with you all this year.

The Careers Department are available until the end of term for any questions or queries regarding your next steps, and also on GCSE Results Day.

You can contact us by
Calling 01423 818534,
emailing
careers-
staff@staidans.co.uk or
visit the department
upstairs in Bede House.

Community Volunteering Opportunities

Artizan International are looking for volunteers for a few hours after school, on a Saturday or during the holidays to help in their café in Harrogate Town centre working alongside trained staff together with young adults with learning disabilities.

Please contact Mrs Farrar m.farrar@staidans.co.uk if you are interested and can help
