Wednesday 10th July 3.45 Call backs

No need to learn anything in advance. You will be learning a song from the show and some movement/dance at the audition. Please be prepared to speak and show that you can act.

Wear comfortable clothing for the audition so that you can move around.

Call backs will be decided from this audition.

This show has over 25 named parts for all ages, so we would love as many people to audition as possible!

Opportunities to sign up/audition for the show band will be in September.
