

June 2024

Dear Student/Parent or Carer,

ARRANGEMENTS FOR RESULTS DAY

Results for Year 13 students can be collected from Constance Green Hall at St Aidan's on Thursday 15 August from 8.15 am. Results for Year 12 students can be collected from Constance Green Hall from 9.15 am. Please note that, as we have a large number of students' examination results to sort and collate on the day, we cannot issue results earlier and results cannot be issued by telephone. Given the importance of these results and the potential need to negotiate or confirm future courses, we ask that students collect their results in person if possible. If, however, you require your results to be posted, please forward a **large** stamped-addressed envelope (**with the appropriate postage**) to the Sixth Form Office before Friday 12 July, writing on the reverse the subjects of the examinations taken. **Only in exceptional circumstances would we be able to email any results, and this would only be possible after 1pm.** If you wish for this to be the case, please contact the Sixth Form Office at the school your register at.

On Results Day, students can check their offer via the UCAS Track service online at www.ucas.com, by entering their UCAS application number and Track username and password; Track will open at 8am but the status of applications will be updated to show confirmations during the day on 15 August. For students exploring options through Clearing, this will be available from 2pm on that day. If you have any questions, please contact the Careers department who will be happy to help.

Careers and Sixth Form pastoral staff will also be available on Results Day for students requiring further help.

We hope that this information is helpful and look forward to seeing you on 15 August. Enjoy the summer holiday!

Yours sincerely,

Mr J Sharpe

Director of Sixth Form, St John Fisher
