Dear Parent/ Carer

Year 11 GCSE Results

We hope that you are well and enjoying a pleasant summer. Please can we take this opportunity to pass on our congratulations and thanks to all the students in year 11 who performed and behaved with incredible maturity throughout the examination period.

Now that the GCSE exams have been completed, we can turn our attention to GCSE results day on August 22nd. St Aidan's staff will be available to deliver results to students from 9-15 -11am in the Main Hall. The results can also be emailed to a students' school email account on request. Requests for results to be emailed to a different account must be made by the student concerned before July 17th, 2024 using: t.mahoney@staidans.co.uk

Please be aware that results will be emailed later in the day after the in -person collection has finished.

Students may nominate an adult to collect their results on their behalf if they are unable to collect in person. The nominated person must bring photo ID with them. Students cannot collect another student's results.

Please contact Mrs T Mahoney, (GCSE Exams Officer) directly by July 17th, 2024, using: t.mahoney@staidans.co.uk

Results envelopes that are not collected will be posted to your home address at the end of the day on August 22nd. Please can we ask that you update any changes of address with our school office.

If you wish to ask the Awarding Body to review any of your GCSE results, there will be details inside every results envelope about the process and deadlines. Details about Post Results Service will also be available on the school website via the link below.

Sixth form staff will be in Constance Green Hall on 22nd August and students should enrol in person after receiving their results if they have any queries about their sixth form choices. Otherwise, they should auto-enrol on the day using the QR code sent if there are no changes and course requirements have been met.

If you need further details or discussion, please contact us on 01423 885814.

Thank you.
