# **Sixth Form Notices**

Week commencing 13 Jan 2025

# ASSOCIATED SIXTH FORM

### **General Notices**

#### Happy New Year and welcome back!

Thank you to everyone for being so patient about the adverse weather we've had, it's never an easy decision to close a school, but hopefully next week the weather will warm up and we can all go back to normal.

- Please don't forget to collect your GCSE resit results from your registered Sixth Form Office.
- Year 12 and 13 Basketball Coaching with Yorkshire Basketball. Every Monday, starting from 20 January, for 10 weeks. 3.30-5pm in St Aidan's Sports Hall. £5 per session (£50 total cost). Register and pay via the QR code. Any queries please speak to the PE Department.

### Year 12 Notices

In order for us to know that you are in school from Monday 13 January all Year 12 students need to swipe
IN and OUT of school at the beginning and end of the day and at lunchtime if you are going off site. There are two InVentry machines located in the Café for this purpose. In addition to this, students should still go to the Sixth Form Office to see Mrs Bishop to sign IN / OUT if they are late to school or going for an appointment off site.

### Year 13 Notices

- Year 13 can apply for Home Study leave based on good attendance, timetable and mock grades. Forms will be available from your form tutor from Monday 13 January.
- Year 13 Parents Evening Online Wednesday 29 January booking is open until Friday 24 January.
- If you are a Year 13 student applying for University and have any choices left to add to your UCAS application it is important that you do so before **Wednesday 29 January** in order for your application to be considered

Year 12 Assembly: Wednesday 15 January—EPQ Launch Information, Mrs Buchan via TEAMs Year 13 Assembly: Thursday 16 January—Dr Holt, via TEAMs

# **Careers Department Notices**

### **Opportunity of the Week**

#### Labcorp Virtual Work Experience Programme

Do you have a passion for Science? This is a fantastic opportunity for Year 12 and 13 students to learn more about what is involved in the drug development process and the exciting careers available in this field. On site work experience placements, based in Harrogate, cover **two** different areas:

Science in Industry — a overview of the drug development process and practical insight into how science in used in business.
Histology — a specialised programme for students with a particular interest in the microanatomy of biological tissues.
Placements are in high demand. All interested students to <u>complete the application form</u> by Mon 27 Jan. Good luck!

### Year 12: Medical Students Lunchtime Talk

A St. Aidan's alumni student currently studying medicine at Newcastle University is coming to speak to students about her experience of the medicine application process and provide top tips on how to prepare and what to expect. **Weds 15 Jan at 12.45pm in the Careers Department.** You are welcome to bring lunch. This event is aimed at medical students, but would be beneficial to any students considering healthcare profession applications.

## **Extra Curricular and Virtual Opportunities**

NB: if you would like to attend an event during lesson time, you must first secure permission from the Sixth Form team.
